Chapter 2

Mike slowly climbed the stairs to his sister's room and knocked on the door as he opened it "Hey, you okay?" When he walked in his sister was sitting on her bed in a purple and blue lolita style dress and looked up at him. " 'm-'m fine, is baily here yet?" she looked slightly hopeful. "No, but he will be soon." She nods "do you wanna watch Meet the Robinsons with me?" Mike smiled and sat on the bed next to his sister. About 13 minutes into the movie Mike's phone went off.

Mike W, Bailey

B:hey im here can you come let me in?

M: yeah give me a sec rach is laying on my lap

B:ask her if she wants something to drink

Mike Locked his phone and put it back on the bedside table. "Hey Rach, do you want something to drink?" she looked up at him pausing the movie. "Yes please, uhm, we have strawberry an' banana juice." Mike noded. "Alright, I'm gonna go get that I'll be right back." Rachel maneuvered her head off of mikes lap and started her movie again. Mike slowly climbed down the stares as to make as little noise as possible and opened the front door. "Hay Bailes, she's upstairs I'm going to get her some juice. Mike got the juice and went upstairs to see the two girls cuddling and watching the movie, Baily mumbling to his sister and typing on her phone.
